

## ***Deadline for paper submission – Extended!***

**2016 AEARU Young Researchers International Conference (AEARU-YRIC 2016)**

**September 17-19, 2016**

**Hosted by the University of Tsukuba at Tsukuba International Congress Center, Japan**

### ■ Theme

“Innovation for the future - towards human well-being & a sustainable society”

### ■ Topics

AEARU-YRIC 2016 is pleased to invite young researchers who are studying or doing research to create innovative technology that empowers people towards promotion of quality of life to attain human well-being and a sustainable society. In particular, we welcome technology developed by means of integrating engineering system and information & communication technology in the field of human machine interaction, i.e.,:

- Innovative technology that supplements and expands human functions (such as physical, cognitive, and social functions)
- Innovative technology that harmonizes with people's lives
- Innovative technology that enhances quality of life and human well-being & a sustainable society

### ■ Application for the Oral Presentations

Those who want to give an oral presentation at the conference are required to submit a paper no more than four (4) pages in the specified template hereto attached by e-mail to [global@un.tsukuba.ac.jp](mailto:global@un.tsukuba.ac.jp) along with the submission form by July 31, 2016.

### ■ Proceedings

All of the papers will be compiled into a booklet and distributed to the participants in the conference. Please do not include any protected, proprietary, confidential, or patented information since the copyright is not protected.

### ■ Incentives

Free accommodation and meals will be provided to all presenters during the conference period.

### ■ Tentative Schedule

Day 1 - September 17	Keynote Speech and Oral Presentation
Day 2 - September 18	Oral Presentation Tsukuba Global Science Week (TGSW2016)
Day 3 - September 19	One-day trip to experience Japan

### ■ Important Dates

<u>July 31, 2016</u>	Deadline for submission of paper (please follow the style of attached template)
August 5, 2016	Notification of acceptance & Submission of Registration Form
August 15, 2016	Deadline of camera-ready paper
September 17-19, 2016	Young Researchers International Conference 2016

### ■ Organizing Committee

Office of Global Initiatives, University of Tsukuba / Associated Faculties and Schools of the University
