# Current Mobility Situation and Problem in Asia

- **University's Perspective**
  - Low number of exchange students.
  - More scholarship offered than takers.
  - More outbound than inbound in case of Chula.
  - Difficulties in matching relevant programs.
- **Student's Perspective**
  - Lack of interest to study abroad – no standardized credit transfer, extend studying time and no extra benefit.
  - Diverse culture, quality of education and standard of living.

# **Challenges for Students Mobility in ASIA**

- 1. Standardization of credit transfer.**
- 2. Creation of Double, Dual or Joint Degree.**
- 3. Quality Assurance of Program Offered.**
- 4. Increasing number of International Program or courses taught in English.**
- 5. Improve quality of living.**
- 6. Management of scholarships.**

# Conclusion

- **International Program can help promote student mobility.**
- **Program must seek to widen cooperation with suitable partners.**
- **Program should include opportunity for internship or credit transfer to promote mobility**
- **Identifying student's interest is a priority.**
- **Seek, provide and publicize Scholarship to promote more mobility.**
- **Exploring possibility of awarding different or complementary degree types.**
- **University resources must be sufficient and attractive to students.**
