# The University

# Vision and Mission

*veritas, probitas, iustitia*

8 1E6~B^1E-° 1#,1 . 11 ~ 1E°

- Vision:
  - To be a world-class research university
  
- Mission:
  - To provide research-based higher education in the areas of Science, Technology, the Humanities, Arts and Culture.
  - To provide higher education that empowers people and improves their quality of life.

# A green, sustainable campus

*veritas, probitas, iustitia*

8 1 E 6 ~ B 1 E - ° 1 #, 1 . 1 1 ~ 1 E °

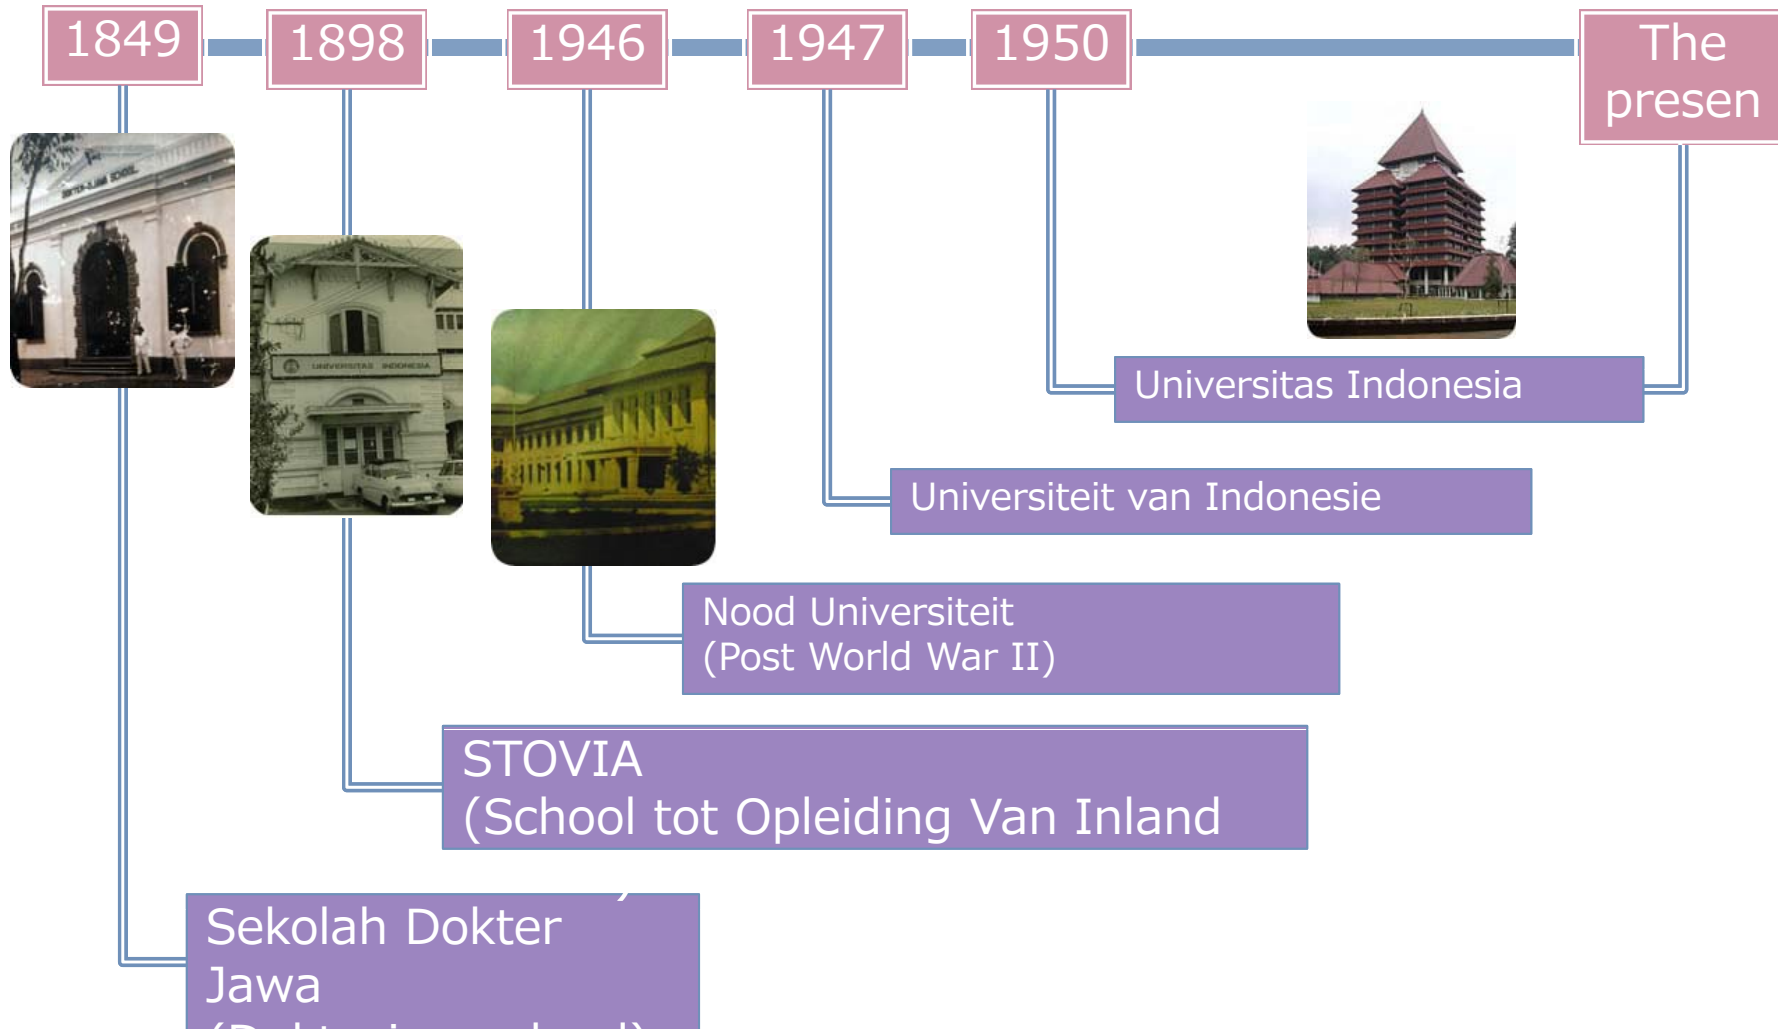

- The UI campus is set in over 312 hectares of lush, tropical greenery. Space is allocated as follows:
  - Physical buildings and green landscape buffer zones (170 ha):
    - Water ecosystems including six lakes which function as water absorption zones (30 ha)
    - City forest area (100 ha)
    - Supporting facilities and infrastructure, including an environment buffer (12 ha)
- The University established its Green Metric World University ranking system in April 2010 to promote campus sustainability. Over 100 universities are currently participating.

# The way forward

# UI's plans for the future

*veritas, probitas, iustitia*

8 1 10 ~ 13 1 E - ° 1 #, 1 . 1 1 ~ 1 E °

- In support of improving student mobility, UI plans to increase:
  - double degree programs
  - international classes at UI (taught in English)
  - collaborative research
  - adjunct professors
  - visiting scholars
- We also are busy implementing new joint doctoral degree programs (Biomedicine)

*veritas, probitas, iustitia*

8 1 10 ~ 13 1 E - ° 1 #, 1 . 1 1 ~ 1 E °

- We are now the secretariat of the ASEAN Credit Transfer System
- We have developed an online application system for all member universities of ASEAN Universities Network (AUN)
- UI also promotes student mobility through University Mobility in Asia and the Pacific (UMAP)
- We would like to see even more student exchange between UI and other universities in future

THANK YOU
