

**Broadening the Horizon of Students
with Int'l Awareness & Cross-cultural Understanding**

--An Internationalization Plan for Domestic Students at Zhejiang
University, China

YUAN Jigang

Abstract

Internationalization has become one of the top priorities to promote higher education in China. Zhejiang University (ZU, a community of learning dedicated to excellence and grounded in the tradition of scholarship, truth and innovation, prepares students to lead and serve in both domestic and international society. This mission requires us to make a long term internationalization plan for our students.

This presentation intends to share with UAW Participants some major practical approaches that ZU has been taking to broaden the horizon of students with international awareness and cross-cultural understanding.
